## Attention Lions and Lionesses

Whilst we welcome children both in our Bar and Restaurant Dining Areas, we would respectfully request that children under 14 are closely supervised by a responsible adult at all times, both for their safety and for the comfort of other diners.

If your little cubs are bursting with energy after their meal, then why not let them burn some of it off in our beautiful gardens, or walk 100yds to the exciting pirate themed adventure playground at Stithians Lake Watersports Centre. Access by foot – over stile at bottom of garden.

Please find baby changing facilities in disabled toilet.

Highchairs available upon request.
