

The Golden Lion Inn Newsletter

January 2018

REFURBISHMENT. As many people know - we were closed for the most of January, for a much needed refurbishment. The staff and ourselves, worked tirelessly, to create a warm, welcoming and fresh Restaurant / Bar, whilst maintaining its character and charm. The response so far has been very positive, so why not come along and take a look for yourselves.

Easy Access

Whilst completing the refurbishment, we took the opportunity to alter the access into the pub. The large granite step, weighing over 1.5 tonnes was lifted and turned 90 degrees to form a much needed ramp, allowing wheelchairs and prams much easier access.
