

The Golden Lion Inn Newsletter

March 2018

1 month on, and we would like to thank you all for such lovely comments and reviews, of our much needed freshen up. We still have a lot to do behind the scenes, but rest assured, the caricatures will be going back up in the bar, and we still need to add some personality to the restaurant ~ but i'm sure this will come in time.

March, For many this means spring bulbs popping up, but for us, its the start of Race Season. As many of you are aware we are a motorsporting family, and living in Cornwall you couldn't get further from the tracks. Mark having won the NAVQ Touring car championship with co driver Frank, in Germany last year, is concentrating on Castle Coombe Race Circuit this year, and Jack (14) is challenging for the West of England Championship Title, at Mendips Raceway Bristol. Anyone wishing to support or sponsor the racing team, please give us a call.

I have included Easter events in this Newsletter, as Easter Sunday is on the Sunday 1st April. The Menu is now available on our website. Hopefully the weather will be kind to us, as we have planned a few activities for the Children. Ask at the Bar for details.

FundRaising Community Defibulator

We are looking to raise £1600 for the purchase of a defibulator, to be positioned to the front of the pub.

As a rural location, a defubulator would prove to be a worthy asset to our village and with so many visitors, sharing our beautiful neighbourhood either bird watching, cycling, rowing & Horse Riding, to name a few... I am sure we would make a good centre point for such an emergency, and those much needed minutes could make all the difference.

If you have any donations, fundraising ideas, or would like to be involved, please dont hesitate to give us a call.
