EASTER WEEKEND

In like a lion and out like a lamb.... March has certainly given us a month to remember. The beautiful snowy scene was soon replaced with abandoned cars, missed deliveries, and displaced people. The pub became a friendly rescue centre with teas & coffees and roaring log fires, getting people warmed up' before continuing their (some) long walk home, a real sense of community pulling together.....

But we've had enough now, and are looking forward to the "out like a Lamb" with Spring. Our gardener, Paul, has worked tirelessly throughout all this bad weather, preparing the gardens, for your pleasure in the coming months. With everything trimmed, topped and pulled back, we can't wait to see how mother nature will "Bloom" creating a beautiful space for you to sit back and enjoy the Lake Views.

With a busy month ahead, we hope you will be able to join in with some of the events planned, and welcome any suggestions you may have.

FundRaising Community Defibulator

SO FAR WE HAVE £95

We are looking to raise £1600 for the purchase of a
defibulator, to be positioned to the front of the pub.

As a rural location, a defibulator would prove to be a
worthy asset to our village and with so many
visitors, sharing our beautiful neighbourhood either
bird watching, cycling, rowing & Horse Riding,
to name a few... I am sure we would make a good
centre point for such an emergency, and those much
needed minutes could make all the difference.

If you have any donations, fundraising ideas, or would
like to be involved, please don't hesitate to give us a call.
