MENHERION CARNIVAL

STITHIANS LAKE

SATURDAY Everyone
Welcome

28th July 5pm

Not many "sleeps" before Carnival and as the excitement mounts, so does the organising.

If you would like to enter a float, walking group or individual act, please contact Sarah (in the pub) to register your entry. There are many categories for Judging, which starts at 3pm in the sports field.

We do need volunteers, if you would like to help, please give us a call.

We Did It!!

Thanks to the generosity of many people, and the relentless campaigning, we have raised enough money to enable our village to have a difibrillator. It is on order and once here will be installed to the exterior of the pub, to allow the wider community access. A special thank you to Stithians Fly Fishing Group, for their generous donation, and lets hope you never need to use it! A training session will be organised (although these things are apparently easy). If you would like to join in, please call in and register your interest.
